Because personal views and beliefs may vary it is necessary for us to inform potential staff of WRYC that stated below are beliefs that will be advocated at White River Youth Camp. Please initial beside the ones that you hold to be true within your own faith and can wholeheartedly support and/or advocate at camp. Please give a brief written response to any below that you feel need some qualification or explanation.

The plan of salvation includes hear, believe, repent, confess, and being immersed in water for the remission of sins.

Where men and women are present, God expects men to lead public worship and devotionals.

Christians should abstain from the use of alcohol, illegal drugs and tobacco because they have been proven to be harmful to the body, which is the temple of God.

Keeping our bodies sexually pure is a direct commandment from God.

WRYC does not advocate the use of musical instruments in worship or devotionals.

We are saved by God's grace.

Christianity is not to be put on just for Camp or for Sundays but needs to be lived all year long. (Camp counselors influence lives for years to come, not just for a week at camp - are you ready for this?)

Write a paragraph about your strengths and why you would be a great counselor at WRYC.

What do you see as your weaknesses or areas that need to be strengthened?
